The first book by a hiker of the North Country National Scenic Trail

North Country Cache:

Adventures on a National Scenic Trail

"Joan Young's humor, insight and enthusiasm make *North Country Cache* a thoroughly satisfying journey. She is an excellent writer and a welcome traveling companion."

Brad Herzog, author of *States of Mind* and *Small World: A Microcosmic Journey*

"In *North Country Cache*, hiker Joan Young shows us the heart of a poet, the mind of a philosopher, and the energy of an explorer, as she stubbornly seeks the many human and natural treasures of America's longest foot trail."

Worldwalk author Steven M. Newman

"A rich testament to the hiking experience, *North Country Cache* skillfully blends Joan's keen knowledge of local history with a wonderful sense of time and place."

Gregory A. Miller, PhD,
President, American Hiking Society
